ISWFACE Presents:

Invasion of the Victim Pimps

DON'T YOU GIRLS REALIZE YOU ARE VICTIMS OF THE OPPRESSIVE PATRIARCHY? PROSTITUTION IS NOTHING MORE THAN PAID RAPE... I AM MELISSA FARLEY AND I AM HERE TO RESCUE YOU!

This is Dr. Melissa Farley- a clinical psychologist who makes the absurd claim that the very act of being paid to provide pleasure to others is "bad for the body, bad for the heart..." Melissa uses fraudulent research methods which would be laughed out of academic circles if it were used by any other 'researchers' - like, say, the good folks at the "Family Research Center whose bigoted, biased research

A 'victim pimp' is a prostitution abolitionist/ "rescue and restore" group or individual who earns or receives ANY funding /income/ payment from ANY source by claiming that all sex workers are 'victims.' If we are 'victims'- then they are our 'victim pimps'- pimping out our lives against our will and without our consent...

WE'RE FROM PROJECT ROSE WE'RE HERE TO \$AVE YOUR \$OUL\$... YOU WRETCHED WHORES! AND DON'T BRING UP OUR PEDOPHILE PRIESTS OR THE MAGDALENE LAUNDRIES!

on gays and abortion is seen for what it is- biased and bigoted, just as her 'research' is. She claims that prostitution is nothing more than 'paid rape,' but when sex workers are raped by COPS, it is apparently irrelevant to 'feminists' like her... She peddles her malodorous bovine excrement to other 'feminists' and organizations who use her 'research' to get funding for THEIR 'victim pimp' groups. You can find examples of her bigoted and fraudulent research on her website- "Prostitutionresearch.org"

YEAH! JAIL OR JESUS, BITCHES!

This is Bradley Miles- the Founder of the Polaris Project aka The National Human Trafficking Resource Center- which receives million\$ of dollar\$ every year from gullible donors and taxpayers to answer phone

Polaris Project
Bradley Myles
Victim Pimp

calls related to 'potential victims' of Human Trafficking, by which he and the other victim pimps mean "SEX TRAFFICKING" Victims- which, according to him and his 'victim pimp' cronies, means ALL PROSTITUTES regardless of our age or consent... The majority of their income goes to pay their salaries and benefit... too bad they couldn't find someone with some basic math skills... because their annual 'reported' number of phone calls just don't add up!

It is TOTALLY inappropriate AND unconstitutional for the "Catholic Charities" to claim all sex workers are victims, then have the cops kidnap us and threaten us with arrest and/or incarceration if we do not wish to be forced into the Project Rose 'religious indoctrination program.' The Catholic Church has not progressed much since the Spanish Inquisition- when they rounded up 'sinners' and threatened them with death if they did not 'convert' - just sayin'...

JAIL OR JESUS, LADIES- JAIL OR JESUS! WE HIGHLY RECOMMEND THAT YOU CHOOSE JESUS BECAUSE WE GET PAID IF WE RESCUE YOU BUT WE DON'T GET ANYTHING IF YOU GO TO JAIL!

Assistant professor of sociology Dominique Roe- Sepowitz from the Arizona State University is using taxpayer money to promote her moral/ religious agenda and is training more little mindless victim pimpbots to go out into the world and use made up statistics to convince politicians and others to continue to fund her obscene crusade to force all sex workers to convert or go to jail and get raped by the prison staff... because she doesn't care about our constitutional rights- she only cares about her abominable abolitionist ideology... oh-- and the money...

When the 'victim pimp\$' set out to 'rescue' us against our will, any 'ho can tell you It's ALWAYS about the money, honey!!!

Visit our websites at www.iswface.org and www.policeprostitutionandpolitics.com to find many more examples of the lies and myths about prostitution- perpetrated by prostitution prohibitionists including radical feminists, religious conservatives and legislators... and the consequences for sex workers when society accepts those lies
